WE have given careful consideration to the problems involved in the handling of small editions of books and pamphlets, in order to really make such work issued under our imprint the standard of excellence.

It gives us pleasure to correspond with those interested. Often we are able, and always we are willing, to assist in the planning and designing of such work.

The Best Is None Too Good For The Sick

ABOUT PRESCRIPTIONS

The best of medicine is none too good for sick folks. It's bad enough to be sick without running chances with second grade drugs. That's the reason we buy only the very highest quality of everything. It's a great satisfaction to us to know that every prescription we send out is just as good as drugs will make it. You couldn't get any better, no matter what you paid for it.

REPORTS OF DISTRICT SUPERINTENDENTS

BOISE DISTRICT.

To the Members of the Idaho Conference.

Brethren: The Conference year ends with a varied record of light and shadow that we expect in the course of human events. There have been both easy and difficult places. The financial problems which arise in support of the ministry and benevolent enterprises we always have with us, only a little more perplexing than usual. Several charges under the optimistic atmosphere of a year ago voted a generous increase of ministerial support. These charges have had some difficulty in meeting the estimates. The Centenary Collections have been difficult.

In a topical way, let us speak of the work of the districts.

First, there has been no prolonged vacancy in any pulpit of the district. This has been largely due to the generous support of the Centenary, enabling us to pay a living wage to pastors in smaller charges. Had not unusual financial difficulties arisen during the year most of the charges receiving missionary aid would have come to self-support.

The collection of Centenary funds has been a matter of grave concern. The future program of the church hangs upon it. In most cases pastors and Centenary treasurers have been faithful to their obligation. Only now and then do we raise the query: Has all been done that could be done?

We must not permit the current feeling that financial difficulties make collections impossible, to restrain our efforts. Where payments cannot be made they are kept alive by the personal interest of the collector.

Second, the evangelistic spirit in a quiet way pervades the air. It has been our privilege to spend five weeks of the year helping pastors of the district in revival meetings. Men are responsive to the spiritual note of our ministry. They are more interested in spiritual truths than they have been. We do not mean to say that this interest takes on the outward emotional form of half a century ago, nevertheless it is thoughtful and lasting. Generally the pastor, or pastor with a neighboring pastor, should do the preaching. Let us not give away our birthright as evangelists. Nor let us become confused by a false or a traditional conception of evangelism, but bear in mind the spirit and method of Jesus, who was and is the living power of God among men.

Third, the work of the Epworth League is growing. We have two new leagues in the district, at South Side Boulevard and Melba. The Institute is assuming not only a vital relation to other league activities, but also to the program of the church. The readjustment of boundaries will do much toward a consolidation of interest and greater numerical success. The work done by President Tenney in the Life Service Department vitally relates the insti-

tute to the evangelistic work of the church. The plan which is under way to locate the 1922 Institute nearer Boise will be of large advantage, as it will then be in reach of many more Leaguers.

Fourth, Sunday Schools. In no line of work is there greater opportunity than with the children. Almost everywhere there is a marked increase of attendance. The Sunday schools have not felt the financial depression common to other activities. The banner Sunday school for the district is South Side Boulevard. A year ago it numbered 27; now the attendance has reached 120. Bro. Deacon has developed a wonderful home department at Fairfield. The last report was 113.

Fifth, Institutions. The emergency collections for Gooding College was not what it ought to have been. In some cases the \$1.00 per member was included in the budget with the result that it was lost after the pastor had been paid and current expenses met, there was nothing left for the college. It is possible to stretch the budget system beyond its legitimate limits. Is it not possible for us to put more effort into the promotion of the college collection? Let us be as willing and earnest as President Tenney. It is our college. The Epworth League, we are sure, will raise their share of the amount pledged to equip the laboratory. The growing popularity of the college is noticeable throughout the district.

Hospitals. No doubt most of us are acquainted with the action of the trustees in taking over in the form of a lease with the purpose of possession, Gooding Hospital. The details of this action will come before us later. We heartily indorse this movement and ask for it the support of each member of the conference. We will also hear from Bro. Edgington about the White Cross. This popular organization is working in harmony with our Board of Hospitals and Homes. During the coming year we expect each charge to have an opportunity to co-operate in this supporting organization. Its immediate effort will be in the interest of Hospital work in the Idaho Conference.

Sixth, Work on the Charges. At Ontario Bro. Luscombe has a building program under way. The old church has been moved from its foundation to become a community center and place for the social activities of the church. The basement is dug and the foundation is in for the new building. The building program will be carried out as rapidly as the church is able to meet the centenary survey.

We lost our Pleasant Ridge church by fire. The loss was largely covered by insurance. The new plan calls for the removal of the Appleton church to a place midway and a union of the two communities for one religious service. A basement will be made and the church building enlarged. A site has already been offered for this enterprise. There was also a small loss by fire at Wilder, which was covered by insurance. This church is also planning to build bigger and better as soon as the financial conditions improve. At Homedale we have effected an exchange of lots with the townsite company which is a more favorable location. With the help of Centenary money we plan the rebuilding of the church as a religious and community center.

Glenns Ferry is in process of building a new parsonage. Excavation of the basement was begun. A new church was organized at Melba with 38 members and Sunday school of 100. Lots have been contracted for on which to build. The present plan calls for the completion of the basement in such form as may be used for services during the coming year. This new work is connected with South Side Boulevard under the pastorate of Bro. W. W. Deal. At Caldwell a new heating plant has been installed. The church has been renovated and re-decorated at a cost of \$3,000. The pavement on the four sides of our church property makes it one of the most attractive sites in the city. The new pastor, Bro. Hankins, has a united church behind him. The future is bright.

Bro. Glendenning of First Church, Boise, on account of the growing demands of the work, sent out an S.O.S. call and Bro. Van Dusen is filling the place of assistant pastor. The enrollment of this church now stands at 1100.

The new church lags somewhat at Nampa on account of financial conditions but Bro. Parker has the situation well in hand and no doubt a beginning will be made in the near future.

If time would permit we could speak of splendid accomplishments by all

the pastors of the district. They are all men consecrated to the Lord's work. We are proud of their Christian fellowship.

Bro. Hartshorn, after a most heroic struggle, was compelled to give up the work at Wilder on account of ill health, and is now living in southern California. Bro. McCoard took his place and is filling it most acceptably.

LA GRANDE DISTRICT.

Ira R. Aldrich, Superintendent

Bishop Burns, Brethren of the Conference, and Friends:

After three years of service upon this great frontier District I am beginning to understand why it has been often observed that men in politics who before election are brilliant with pep and promise, after election are liable to become very conservative and even drop into the rut of the commonplace. Goals are easy to place and hard to reach.

If our ministry were subject to the ordinary laws of human association, the obstacles and difficulties of the present social order, which cling like chaparral to a mountain slope, would appear insurmountable and unconquerable. But "The weapons of our warfare are not carnal," and we are not limited to temporal policies and human genius for the task. We are saved from ourselves and lifted anon and anon by our faith in the eternal character of things unseen. The voice of prophecy is not silent in these days, but the faith of the mystic needs to be tempered with the discretion of the sage to achieve the spiritual task of our day. To an aviator the mountains become only a part of the flattened landscape, yet the aviator must take account of the mountains and descend to a proper landing place, or he will soon need to volplane and land where he may.

In the discharge of their "Multitudinous Ministry" the pastors of the La Grande district have combined in a remarkable degree this lofty vision and this practical sagacity. In view of the distraught economic conditions of the past year, the statistical reports about to be presented, will speak eloquently of sacrifice and heroism upon the part of both pastors and people. Not since the commercial reaction of 1893 has it meant so much for a pastor to be able to report a budget "in full." The latest figures published by the Committee on Conservation and Advance show that, while the La Grande district has the largest per cent of frontier territory of any district save one in America, yet our percentage of collections on Centenary pledges is equal to the average for the area, and four per cent above the average for the Idaho Conference as a whole. There is not much comfort in this, for we should have done better, but it indicates that our people are not more affected by the financial depression than others.

A little more than three hundred have been added to our church rolls and the District will show a substantial net increase. An unusual number of children have received regular class instruction and been received after preparation into full connection. This is a good omen. There is no blare of trumpets about this work, but its merchandise is more valuable than diamonds. Things move determinedly but quietly in a diamond mine. Eighteen of our young people have signed the Life Service Covenant this year. The total enrollment of the district at Epworth League Institutes this year was about 140. Not all of these attended class regularly, but the record of attendance and certification is easily double that of last year.

We come to the close of the Conference year with every charge supplied. We have opened new work in three great frontier circuits, Council Valley, Garden Valley, and Long Creek country. Fifteen settlements have been penetrated by these heroic supply ministers, and five organizations have been effected. Sufficient response has been received to warrant giving each of these fields a full-time pastor for the coming year.

Not wishing to forestall the pastors in their individual reports, I refrain from mentioning special achievements in new buildings and evangelism. In these matters I restrain myself with difficulty. In the absence of the pastor I may state that the work at Huntington has moved steadily upward during

the year. Their Ladies Aid Society has raised \$939 this year and holds the District banner. The foundation for the new Community church building is in, and much of the material for the super-structure is on the ground. Some delay has occurred by the modification of the plans by the Bureau of Architecture, but the building will be thereby superior in every respect.

The Ladies Aid Societies of the District, in addition to giving high tone to the social life of our communities, have raised money to supplement church budgets to the amount of \$6,698, two societies not reporting. Words of praise are empty reward for such sacrificial service. The Women's Missionary Societies have contributed to Missions about \$1,500. These women are inspired by the example of the Good Samaritan and the word "Inasmuch" as it fell from the lips of Jesus. God bless them!

The Superintendent has held 91 quarterly conferences, and has made more than fifty informal visits to various points on the District. He has embraced, so far as possible, every opportunity to preach the Gospel, and has given a number of special addresses. He has emphasized everywhere the importance of keeping accurate records, the care and nurture of the youth of the church, the need of proper support for the ministry and the necessity of fulfilling missionary pledges. He has given frequent counsel in the prosecution of Centenary projects, and has been concerned in the welfare of the pastors and their families.

Mrs. Aldrich narrowly escaped death in an automobile accident in November, from which she seems to have fully recovered. For this we fervently thank God. Her health was seriously impaired for three months.

The continuity of my work was badly broken in the middle of the year by family misfortune, of which I cannot easily speak. Only those who have suffered in a similar manner may know what it means to gather up the shattered remnant of life and "carry on." During this trial my brethren of the ministry were sympathetic and considerate and the kindness of these and other friends we shall not soon forget.

For two months, on account of grief, I found it very difficult to speak in public, and have preached a third less than I did last year. However, a review of my diary shows 237 engagements kept, two trips to Portland, one to Salem and one to Boise in the interest of special work, also the following meetings attended: The Gooding College Trustees twice; the Conference Board of Trustees three times; Area Council twice; Conference Board of Home Missions three times; Conference Epworth League Commission twice; three Centenary rallies, two Epworth League rallies, and two sessions of the District Conference. Twelve hundred letters and postals have been written and numerous reports have been sent to the various General Conference Boards as required.

By the courtesy of the pastors I have been permitted to baptize twenty-eight persons, and have received twenty-nine into church membership. Have also solemnized two weddings and conducted one funeral. Over \$13,000 of Home Mission and Church Extension money has been handled and disbursed as directed, of which I have made an accurate accounting to the auditing committee. It is impossible for the office bearing this responsibility to escape severe criticism. With a grim sort of humor, I recall my own attitude of mind upon some of these matters several years ago, so will take my medicine with what grace I may. Distance lends enchantment to the view, and sometimes it lends also mirage and distorted vision.

The work of Brother L. F. Smith as District Evangelist has been highly satisfactory in every respect. Large numbers of people have renewed their consecration in the service of Christ, and about two hundred have professed conversion. In the loss of his only son, the greatly beloved pastor of our church at McMinville, Oregon, Brother Smith has suffered an irreparable loss, but even in the midst of his mourning, he baptized a number of converts, convinced and convicted by the testimony of a triumphant death and the power of the Christian faith in a time of sorrow.

I desire to record my sincere appreciation of the generous hospitality, Christian consideration and thoughtful courtesy which have been shown me by the pastors and their families and by good laymen and women in every

charge. Such deeds often help a tired traveler to "turn his clouds about to show the lining."

POCATELLO DISTRICT.

Dear Brethren and Bishop:

It is hard to realize that another year has slipped by since last I took up my pen to give you some account of my stewardship on the Pocatello District. The swift passing of years should be a constant reminder of the transitoriousness of time and that the interests of the Kingdom require haste.

There have been two outstanding situations in the year that has passed. First the much lamented and loudly advertised financial depression, and second a deepening seriousness upon the part of our people. The great world war is over. Over in a specially meaningful sense and as other things failed to solve the world's problem, so this. Many eyes are at last turned toward the church and Christianity to see if it happily may not prove the shibboleth that shall heal the heart wounds of this old world.

These two leading features, the financial depression and a consciousness of a need for the church have had a constant reflex upon the work of the year.

The financial depression has affected our people very materially in the agricultural districts. As always happens retrenchment falls heaviest upon our benevolent giving. Many churches that made their estimates before Conference last year and hence before the bottom of the financial reaction had been reached, have found it impossible to secure the estimate for support. When urged to bring up the arrears they have simply said "There is no money to be secured, the people haven't it."

It is with regret that I am compelled to report that the Pocatello District will show a bigger deficit on Ministerial support than at any time since I have been on the District. The situation has been made the more acute because our staple crops are never marketed until some weeks after conference, and hence can not be depended upon to help in the closing of the year. As our local budget shows the results of the financial depression, so likewise will the Centenary Fund.

The financial situation has also affected our building program. The work on the new church at Buhl was halted on this account. We have purchased a parsonage at Tuttle and have almost completed the new building at McCammon. This building will for a time be used as the church and later completed for the parsonage. We have remodeled our church at Twin Falls and installed a pipe organ at a cost of \$30,000. There have been some minor improvements upon church and parsonage property here and there, but the program has been materially reduced over former years.

INSTITUTIONS

Our Institutions have likewise passed under the rod of the financial situation. It so happens at the present time that all the Institutions of the Idaho Conference are located within the bounds of the Pocatello Districts. Our college at Gooding, in spite of the financial stringency, has had the best year of its history. The enrollment has been the largest we have reached and the boys' dormitory has been in process of construction. At the present time it is enclosed and only awaits the response of the subscribers to the building fund, to be completed. It is a much needed building and we trust that our friends will make possible its completion before cold weather is upon us.

Lava Hot Springs Sanitarium has had its usual checkered career. Crowds have been coming from time to time to this famous watering place supported by the state, but the vast proportion of them have been pleasure seekers there for a day. The state has completed this summer a large out-door plunge, the third plunge to be erected by the state, and is expending a considerable sum on grounds and roads.

Our own institution has been greatly handicapped by lack of funds. At its last session our conference voted \$10,000 for the Institution but I suppose not much more than \$500 of that sum has actually materialized. Brother and Sister Hoffman, who took charge of the Institution early in the spring have labored faithfully and the grounds are in much better shape, but we have not been able to do anything in the way of building improvement this year. We are impressed that our Methodist people who visit Lava do not give the encouragement to the Institution they should.

The newest property the Conference has acquired through its Board of Conference Trustees, is the Hospital at Gooding. The hospital was built by the county of Gooding and contributing friends. When used to capacity it can provide for 20 or 25 patients and is very well equipped for a small hospital. It is a property worth conservatively \$25,000 and has an incumbance of \$3,000. We now have a controlling interest in the stock, and lease the hospital of the stockholders. Miss Gray, a deaconess from Montana, is at present the capable superintendent.

WHITE CROSS MOVEMENT

We mention the White Cross in this report because of its relation to our Hospital Work. The White Cross organization exists for the purpose of sustaining Protestant Hospitals. It is purely a charitable organization, and turns over all funds raised, outside of a modest expense account, to the Protestant hospitals participating. It has been organized in twenty states and has proven its worth. Rev. R. C. Edgington of Montana is promoting the movement throughout the Helena Area. The fact that our Conference is so young and that we are in the age of small things makes the maintenance of these institutions rather a heavy burden. But unless we want to see these useful fields pre-empted by others not more able but more sacrificing we must lay the foundations now.

Yes, this has been a hard year financially for all of us and it seems only plain justice to say that notwithstanding the sacrifice our pastors have been called upon to make not a man among them has deserted his field because the times were hard, or his salary was desperately in arrears. Such sacrifice should beget a like sacrifice upon the part of our laity, and a willingness to give not out of our abundance, as we did during the war, but out of our very necessity, if need be, that the Kingdom may not suffer loss. Let us hold in satisfying memory the words of our Lord Christ when He said concerning the widow and her mite "This poor widow has cast in more than they all."

Lest you may begin to think this report is but a "hark from the tomb" let me hasten to say there are some encouraging signs. If we turn from the purely economic side of our problem to other things, I think we have great occasion for gratification.

The World is no longer eager to point the finger of scorn at the church and Christianity, as it did when the dreadful holocaust of war burst like a flame upon the world, but is now an anxious enquirer as to whether the church has not after all the secret of humanities well being if only that secret were honestly applied. Financial foundations have crumbled sweeping away the hopes of many in material things, and men are asking, is there not some other foundation upon which we may stand that will not disappoint us. This is the hour of opportunity for the Church of Christ and our people are coming back. It is with great satisfaction that I am able to report a growth in our Sunday Schools and Young peoples work. Nothing like a full report is obtainable but I venture the assertion that the regular attendance upon the services of the church has greatly increased. I think when all reports are in that we will be able to say we have realized at least 100 per cent net increase in membership if not more, and this during a year when fewer people were moving into our community than formerly. Yes, there are hopeful signs, and we should not be overwhelmed with the problems before us. Our Commander will show us the way if we keep our trust in Him.

CONVENTIONS

During the year we have held a number of important conventions. Shortly after conference we held our rural school for Pastors at Gooding College.

Dr. Felton and an able corps of teachers were with us but the attendance was not large. The date was perhaps rather unfortunate coming as it did so close to Conference time but I fear it also indicates a lack of zeal for new ideas and an unwillingness to learn from the experience of others. The week following the Institute for Pastors, the Institute for the school teachers of southern Idaho was held. Our hard-headed school board thought it worth while to close school and pay the teachers their salaries that they might get in touch with new ideas and the teachers were there. Should we be less concerned to keep abreast in the work of the church? The Institute this year will be held October 17th. It is to be sincerely hoped that many pastors will attend.

During the year our Bishop visited our District repeatedly and his visits were an inspiration and a delight to all. In the fall he laid the corner stone for the Boys Dormitory and for the church at Buhl.

He helped us to reopen this beautiful church at Twin Falls, and assisted by Area Secretary Mecklenburg he held a number of important conferences at various points in the District. The Pocatello District knows that we have a Bishop on the job and appreciates the attention we are receiving.

Dr. Dewey of the Board of Epworth League held a series of rallies among our young people prior to the League Institute, which resulted in strengthening our leagues and creating enthusiasm for the Institute.

The pastors connected with the Missionary charges of the District met at the call of the District Superintendent at Jerome, and a District Missionary Society was organized. The Epworth League Institute held at Wood River was well attended and much serious work was done, as well as a splendid outing enjoyed by all. The young people are enthusiastic to try it again, next summer.

WOMENS ORGANIZATIONS

In passing we wish to speak a word for our splendid womens organizations, The Womens Foreign and Womens Home Missionary Societies and the Ladies Aids have been undaunted by hard times, and have gone unhesitatingly on with their work. They will make good reports.

PERSONAL LABORS

In the capacity of District Superintendent I have made two trips to Helena at the call of the Bishop, represented the Area as a member of the Board of Education which met in New York City in December; attended all conventions of the church within the district. Acted as Dean of the Intermountain Institute, attended numerous Committee meetings in the interests of Gooding College and our Hospitals; held at least three Quarterly Conferences on every charge and five or six on some; helped in two revival meetings; and preached 95 times to long-suffering congregations.

My relations with the Brethern and with the Official members have been most pleasant. If we have differed it has not been in any personal sense and the spirit of good fellowship has been kept intact.

Brother H. L. Jenkins at Albion, Brother C. W. Davidson at Mackay and Prof. C. L. Buckner at American Falls have filled up the only gaps that have been made in the pastorates during the year. They will be able to give a good account of their Stewardship.

Deaths angel called Brother Mark Osmond a sufferer for many years with tuberculosis to his Heavenly home. Brother Varnum's son died in France of the same disease. Our sympathies go out to those who are near and dear to them. Brother Tate our patsor at Paul was united in marriage to Miss Cumroy and was duly serenaded at the Institute.

And now the year is done. For the mistakes we have made we trust the Kind Heavenly Father will not be too severe. If we have helped a little in the building of his Kingdom we are glad. And to you, one and all, Dear Brethern, we say it is a great thing to be engaged in the business of the King.

REPORTS OF COMMITTEES

AUDITING COMMITTEE

We, the Auditing Committee of the Idaho Conference have examined the accounts of the District Superintendents, the Stewards, the Conference Claimants, Endowment Commission, the expense and publicity fund, and the accounts of the Treasurer and find them correct.

C. E. WHARTON,
N. E. HERSHEY
W. T. BEATTY.

COMMITTEE ON EDUCATION

We appreciate the splendid support of the Board of Education this past year, without which, Gooding College would have been compelled to close its doors. We wish to thank Secretary A. W. Harris for his recent visit and inspection of the plant, invite him to come again and assure him that we will do our best to help ourselves as faithfully and as generously as the Board of Education has helped us.

We pledge ourselves to the observance of the first Sunday in October as Educational Sunday and on that day to take an educational collection for the Public Education, our aim being an offering of one dollar per member as a minimum, this offering to be sent direct to Gooding College to help out in the payment of current expenses.

The committee with the concurrence of the District Superintendents and Trustees nominate the following trustees for Gooding College for the term of three years: (See List).

We approve the plans of President E. C. Hickman of Kimball School of Theology, of Salem, Ore., our only school in the Northwest for training Methodist Ministers, for a more comprehensive program.

We recommend the appointment of a commission of three, consisting of the three District Superintendents from the Idaho Conference to meet with like commission from the other Conferences of the Kimball territory and with Bishop Burns and Shepherd to consider the advisability of consolidating Kimball School of Theology and the Northwestern Training School of Seattle into a training school for Christian workers, with a broader program than either school can operate alone.

We recommend the election of J. C. Rollins and E. C. S. Brainard as trustees and Valentine Deich as conference visitor.

EPWORTH LEAGUE

We desire to stress the importance of the Epworth League work in the life of the church, and hope that every pastor will be awake to his opportunity

and obligation in reference to the young people of our various charges. We lament the fact that about half of our churches do not have an Epworth League. One solution of the problem may be found in the Institutes of the Conference.

The fact that about Two Hundred Fifty of our young people registered in the Three Institutes this year, and that some Thirty Five signed the Life Service cards, is in index of the far reaching influences coming from these Institutes. We highly commend the work of the Institute faculties, and the recent plans for the course of study.

We desire to emphasize the importance of securing permanent locations for our Institutes.

We commend the plan of holding Epworth League Rallies in convenient places. We also commend the Epworth Leaguers for their loyalty to Gooding College.

COMMISSION ON FINANCE

We recommend that the district superintendents be paid on the basis of 10% of the Pastor's cash salary for the ensuing year. We urge the charges to adopt the buget plan for raising ministerial moneys, within 30 days of adjournment of Conference. We also recommend that the salaries of the district superintendents be equalized this year.

We recommend the Commission on Finance, Idaho Conference, shall be composed of three ministers from each District, whose duties shall be: the division of responsibility of seeking to induce the charges to prorate all ministerial moneys every month, that pastor and District Superintendent, shall receive their salaries monthly, and that the moneys for Conference Claimants, and Episcopal Fund, shall accumulate during the year, instead of making necessary the struggle, so often futile, at the end of the Conference Year.

C. E. WHARTON, *Chairman*.

COMMITTEE ON FOREIGN MISSIONS

The fact that the Board of Foreign Missions is the greatest Missionary organization in the world, is a challenge to the best in us. And the subject is a most vital one to the church today. Countless thousands in foreign lands are looking toward the Christian Church in America for light and knowledge.

We will not disappoint them. Many have heard the Macedonian call: "Come over and help us!" They wait the means with which to go and carry the good news. This is a challenge to the church to fill her heaven born mission of taking the Gospel to all the world. He dare not fail, and in his name we will not.

C. A. QUINN, *Secretary*

COMMITTEE ON EDUCATION FOR THE NEGRO

The recent world conference of the representatives of the black race may well furnish the basis for a far-reaching alarm in every thinking mind, for that conference sat and looked forward to world predominance of power.

We believe the negro in times past has been deprived of educational advantages covering a long period of time, and that he has received numerous vices not primarily belonging to him. Being fully aware of our own share of responsibility for his present condition, perceiving that "in every nation

he that feareth Him and worketh righteousness is accepted of Him," and realizing that the black race must be elevated or the white race will be desolated,

Your Committee heartily commends the Board of Education in its tremendous program for the lifting of a race, knowing that such institutions as Fisk University—keeping sentinel among a people capable of producing a Charles A. Tindley or a Robert E. Jones—cannot but be productive of ideals that will in time transform the menace of a race into a benefaction, through Jesus the Redeemer.

We also commend the Board of Home Missions for its comprehensive grasp of a grave situation where the rapid influx of a restless people migrating northward has seriously threatened the stability of our civilization through industrial chaos, racial segregation, vice, and the changing shade of our population,—a grasp evidenced by well directed assistance that has been alleviative, remedial, and constructive.

HARRY D. McDONALD
WM. J. LUSCOMBE
FLOYD K. RILEY.

SUNDAY OBSERVANCE

Because the highest type of civilization is built about the Christian conception of the day called Sunday

And since very largely the uses to which this day is put by the individual or community indicates the standards of morals, faith and practice held, and

Because worship is essential to the well being of man, it is necessary to make every possible effort to attract the people to the Christian sanctuary, therefore we hold it to be of the utmost importance to cherish and protect the highest ideals bequeathed to us concerning this Christian institution for the welfare and safety of succeeding generation.

J. C. ROLLINS, *Committee*

SOCIAL SERVICE

The opportunity for the Church to do lasting and constructive social service is confronting us today as never before. The community is increasing its police powers to prevent disease; enlisting moral support of its citizens to combat enemies of physical welfare and enlarging its facilities of education to secure co-operation of all, in an effort to reduce the death rate. The Church cannot stand aloof and refuse to give its aid, and at the same time retain the respect of the community as well as meet the demands of a new Christian conscience. Therefore we endorse most heartily every effort and institution promoted by this Conference for the purpose of ministering to the physical welfare of people everywhere. Furthermore we are not unmindful of the recreational needs of our people. These natural and God-given desires cannot be satisfied by railing at the commercialized amusements offered in various forms. The Church must meet the challenge by giving those forms of recreation and amusement that will uplift, elevate and promote the moral, physical and spiritual life of our people. To this end we recommend the Church use all legitimate means to minister unto all the community, at all times and in all ways by the appointment of recreational directors, the promotion of boys and girls clubs and providing wholesome amusement for all. We record with added happy interest the truly Christian work done by the State Home Finding Society under the careful superintendency of J. W. Fleisher.

H. G. McALLISTER, *Secretary*.

THE CONFERENCE CLAIMANTS' ENDOWMENT COMMISSION

Money invested in first class mortgage farm loan \$2,000. One half of this is an annuity on which we are paying interest at the rate of five and a half per cent so long as the annuitant shall live. The entire loan bears interest at the rate of seven per cent. Earnings for the year ending Sept. 1, 1921 are \$70. which has been turned over to the conference stewards. Money now on hand in the saving department of the First National Bank of Idaho, \$65.58.

One year ago the conference took action in favor of a campaign of publicity among ourselves in the interest of the retired minister and his dependents, and requested the writer to act as director of the campaign. Each pastor has been asked to speak before his congregations at least once during the year. Each pastor has been written to one or more times during the year. A considerable amount of reading matter has been distributed and some other work has been done. In order to meet the expense of this campaign and other accrued obligations each pastor was asked to pay the treasurer a sum equal to one half of one per cent of his cash salary for one year. This request resulted in the payment of \$157.20. Disbursements have been made as follows:—

Former expense	\$27.90
Printing	9.25
Postage	4.50
Railroad Fare	3.00
Record book	1.00
Permanent Fund	25.50
Bond on Treasurer	7.50
Total	\$78.65
Cash on hand	\$78.55

We make the following recommendations:

1. That we request the General Board of Conference Claimants to pay the salary and necessary expenses of a field agent for two years when in the judgment of the conference we should enter upon a campaign to raise a permanent fund of at least \$100,000.

2. We recommend a continuation of the plan entered upon a year ago of calling the attention of our people to the rights and needs of the retired minister, and we request W. W. Van Dusen to continue his powers of persuasion to this end without compensation.

3. We reiterate our action of a year ago which was expressed as follows: "It shall be the unvarying policy of the Conference to hold its Conference Claimants anniversary on the evening of Conference Sunday for the next several years, or until such time as the Conference shall deem best to alter its policy."

4. Our attention during the past few days has been most forcefully called to the increasing urgency of the claim of the retired minister. He has already waited far too long for his just dues. Let us bestir ourselves to the calls of justice and humanity. Let us watch for opportunities to interest others in the annuity and other plans of investment in the interest of this most appealing cause. Let us accord to the claims of the retired minister greater prominence, more earnest prayers, and a heartier service.

COMMITTEE ON STATE OF THE CHURCH.

The year has been one of victory. In the face of the hardest of economic conditions which this generation has known, notwithstanding the crushing disappointments which have disheartened the world because of the present aftermath of the war, and in spite of the waves of materialism which con-

tinue to sweep away the foundations of every life not founded upon the Rock—Methodism in the Idaho Conference has gone on its triumphant way.

The reports show a gratifying advance in almost every line of Christian endeavor. For this we are grateful to Almighty God through whom and for whom Bishop, District Superintendents, Pastors and Laymen have together wrought to make His Kingdom come to this wide empire in the west.

The ideal has not been perfectly realized. There is still much land to be possessed. The work is not yet done. And at this hour we would devotedly gird ourselves for the unfinished task. We would face it with humility, loyalty and faith that greater success may be ours. To this end we must—

1. Conserve and enlarge the victories of the Centenary. We will endeavor to actualize the nine points outlined by our Area Secretary.

2. We must face and not flinch before the fact of the prevailing unrest which reacts even to our remotest field of service. We must face it and not falter. We live today. Many remedies are proposed, but shall we not each and all seek the remedy for the world's sore sickness, from the Great Physician? He can cure the sin-sick soul of the individual, of the nation, of the world. And He alone can heal.

3. But in our eagerness to do our part in the world's great missionary and social crisis we must not forget the fact of the individual. Each must live his own life. Hence we must not neglect to preach and practice the old-fashioned virtues of personal devotion to God, of constant communion with the Spirit, and of utter and intelligent consecration of heart and life to the Christ.

The moving finger has once more written the year's record, but the unveiled future is ours. Let us go up and possess the land.

C. A. VARNUM.

COMMITTEE ON TEMPERANCE.

We have waged a long, hard battle against the forces of intemperance. We thank God that we have lived to see the day of victory, when the liquor traffic stands convicted by every tribunal and is now an outlaw in the land. Nevertheless, "eternal vigilance" is still "the price of liberty." Many a battle has been lost after it was won. The weapons of our warfare must not in the day of victory be dropped from our hands. The liquor interests are alert and active. We, therefore, emphasize the imperative necessity for renewed activity and constant vigilance on the part of the friends of prohibition in State and Nation, in order to resist the efforts of the liquor interests to defeat prohibition, either through the repeal of our prohibition laws, or through their nullification by lax enforcement.

It seems providential that the Board of Temperance, Prohibition and Public Morals of our Church has its headquarters at the nation's capital, and that it has been able to secure at so nominal a figure the magnificent building site fronting the doors of the Capitol. The contemplated building on these lots will make our church visible and multiply its power at the world's center. We concur with the Board of Bishops in their resolution endorsing the building enterprise and urge the largest liberality toward this purpose until the funds required are fully reached.

In co-operation with the Board of Foreign Missions and our Bishops stationed abroad, the Board of Temperance, Prohibition and Public Morals is accepting the greater part of the burden of carrying the gospel of freedom from alcohol and drugs to foreign lands. The Board's work in France is already of large proportions. From Switzerland, as a center, an international effort is being financed by the Board which, in a very short time, will be larger than all the other temperance work being done in Europe. A representative is being placed in Central Europe and in India. Another man is being financed in Mexico. In South America the work, under the local direction of Paul Barnhart, in charge of the Board's office in Santiago, Chile, has been so phenomenally successful that Chile seems to be on the verge of prohibition. In the near future the work will be extended to China, Italy and the Philippines.

We recognize the power and influence of the motion picture upon the life and thought of the people and we earnestly protest against its use for poisoning the public mind by a fascinating display of crime and licentiousness.

We urge hearty support of legislation which will check the fearful scourge and curse of gambling which, to an increasing degree, is now afflicting the country.

It has been unquestionably demonstrated by the rigid test of science that the use of tobacco, and especially cigarettes, bring serious injuries to the body, mind and morals of our youth, and we pledge ourselves to discourage vigorously this destructive habit and will do our utmost to secure the enactment of laws to suppress its use on the part of minors.

We express our confidence in the leadership and activities of our Board of Temperance, Prohibition and Public Morals in the work of reform, and pledge our support to it in its ever-widening activities.

Whereas, we greatly appreciate the increased simplicity, in our statistical reports, owing to this unification, and,

Whereas, the Board of Conference claimants is as truly a benevolent board as any, and

Whereas, it ought to have been included under the Centenary program, but was not, therefore

REPORT OF CONFERENCE BOARD OF TRUSTEES ON BRISTOL PARK.

At the close of last Conference your board made a careful investigation of the accounts of the management of Bristol Park, in an effort to determine the exact financial condition of the institution. This was done by the appointment of an auditing committee consisting of Ira R. Aldrich, C. E. Helman, and H. W. Parker. The committee brought in a report of considerable length, with a final summary statement as follows:

"Your auditing committee have examined the accounts submitted to them and find the records incomplete and ambiguous, and that due to the strain under which the management labored arithmetical errors crept in. We do not find evidence of fraud but the errors mentioned prevent a full and perfect audit."

This gives you some idea of the difficulty encountered. We believe, however, that we now know to a certainty the real financial condition, which is shown in the following statement from our treasurer, H. S. Hamilton:

LIABILITIES

Mortgage on property	\$8,835.45
To Mrs. Bristol, money adv. on mortgage payments	500.00
Miss Linfield for service	150.00
Expenses carried over from last year	1,332.72
	\$10,818.17

ASSETS

49 3-5 acres of land with log house and tents valued at \$35,000.00

It will be remembered that in receiving this gift from Mrs. Susie Bristol, the Conference placed itself under certain obligations to her, relating to her board and lodging, and a certain provisional annuity. The conditions which required the payment of the annuity have not been realized.

At the session of the last Annual Conference we were authorized to put on a campaign to raise \$10,000.00 to be used in taking care of the mortgage payments and in making improvements. On account of the financial stringency it seemed at first almost impossible to raise anything. We think that the situation now looks brighter. In order therefore that we may be able to discharge our obligation to Mrs. Bristol, and at the same time save the property from a mortgage foreclosure, with the resultant loss of what we have already put into the property, we ask the conference to authorize the continuation of the campaign for the liquidation of the mortgage.

ON GOODING HOSPITAL

In January 1921, the stockholders of Gooding County Hospital received a proposal, so we understand, from the Roman Catholics, to take over the Gooding County Hospital and operate same as Sisters Hospital. The majority of the stockholders were not disposed to permit this. And a proposal was made to the Methodists. Following this at a meeting of the Board of Trustees of the Idaho Conference a committee was appointed to receive assignments of stock, and enter into a lease for ten years. Said lease was entered into, and the hospital was taken over March 1st, 1921.

To date 419 of the 556 shares of stock, par value \$25.00 each, are in the hands of a committee appointed by the Board of Trustees, leaving a balance of 137 shares not in our possession. Most of these shares have been promised to us and it is believed may be secured by donation.

There is a mortgage on the property of \$3,000, payable in November, 1923, and bearing 8 per cent interest. The grounds consist of two and one-half acres, lying midway between Gooding College and the City. The hospital is in operation and has a probable capacity of 25 beds.

Up to August 9 the income from the time it was taken over was \$4,708.58. Notes for service rendered bearing 8 per cent interest, \$611.85; accounts on

the book, \$628.30; amount in First National Bank of Gooding, \$657.33. Disbursements \$4,708.58.

We recommend that the Conference authorize the trustees to take over this stock.

AMERICAN WHITE CROSS

Whereas, we believe that it is the duty and privilege of the church to engage more extensively in hospital work; and, Whereas, we believe the American White Cross may become a very effective agency for publicity and the securing of workers and funds; Therefore, be it resolved,

1. That the work be made Area wide with the resident Bishop and District Superintendents of the Area, constituting the Area Advisory Council, with full authority for direction.

2. That all funds raised within the bounds of the Idaho Conference be sent to the Secretary-Treasurer of the Board of Trustees of Idaho Conference, who shall also be the Secretary-Treasurer of the Conference American White Cross, and that these funds shall be administered according to the direction of said board.

3. That the second Sunday prior to Thanksgiving, Nov. 13, be considered Hospital Sunday, and each of our pastors be requested to preach an appropriate sermon. We request the Area White Cross Secretary to send to each pastor such information as may be helpful in presenting the subject to our people.

4. That we urge all our pastors to co-operate in every possible way with the Area White Cross Secretary, lending him every possible support.

GEORGE W. BARNES,

Conference Chairman, Board of Trustees.

DISARMAMENT CONFERENCE.

We commend President Harding and Congress for bringing about the Disarmament Conference in Washington, Nov. 11th, and hope the negotiations there conducted may lead to permanent peace. We urge all our churches to observe Sunday, Nov. 6th, as a Universal Peace Day, for creating an atmosphere in which the conference may best do its work.

Be It Further Resolved, That we bear to Bishop C. W. Burns, D.D., LL.D. our Leader and Brother, that unstinted love that becometh our devotion to service, as we with him co-operate in all matters of fellowship, good will, and work of the church, looking toward the development of the Kingdom of Christ in the world.

We urge in this time of uncertain conditions both in church and state that we more fully co-operate with our pastors in the upbuilding of the spiritual life.

We deplore the tendency of the age to lower the standards of the moral life, and condemn those agencies such as picture shows and the dance as a menace to the forming of real Christian character.

We believe that as a church and leaders of the spiritual life we ought to pay more earnest heed to the observance of the Sabbath day.

We desire to render our thanks to the pastor and people of Twin Falls for the splendid hospitality accorded us during our stay in the city.

MRS. L. W. MORGAN, Haines, Oregon,

L. F. VERNON, Eagle.

C. H. STINSON, Twin Falls, *Committee.*

OBITUARY

MARK O. OSMOND

Mark M. Osmond was born January 11th, 1881, at Moreton's Harbor, Newfoundland, and died at Shelley, Idaho, Oct. 20, 1920, being 39 years, 9 months and 9 days of age. He was married in June, 1906, to Miss Flora Moore at Minot, N. D. who passed away in Shelley on December 11, 1910. He is survived by his daughter Flora Margaret, who lives at Jerome, Idaho; his mother, four brothers and three sisters, all of whom are living in Newfoundland except his brother Kenneth, who lives at Sandpoint Idaho, and Charles who was with him at the time of his death.

The funeral was held at the Methodist Episcopal Church at Shelley Sunday afternoon Oct. 24th, Dr. Gillilan of Blackfoot conducted the services, assisted by Dr. Rollins of Idaho Falls, and Rev. Riley of Shelley.

The floral tributes were many and beautiful. The same pallbearers from the M. W. of A. who carried the casket of Mrs. Osmond ten years ago were also the pall bearers on this occasion.

A large number of friends were present to pay their last respects and Brother Osmond was tenderly laid away by the side of his wife in the cemetery at Shelley.

Mark O. Osmond began preaching when he was sixteen years of age, and was formally ordained to the ministry at the age of twenty. He was pastor of the Methodist church at Bowbells, Balfour and Bottoneau, North Dakota, for a number of years, and then came west on account of the health of his wife and became the pastor of the Methodist church of Shelley, Idaho in October 1910. Later he took charge of the work in Wendell and Hagerman, until his health failed when he became a patient in the Woodman Sanitarium near Colorado Springs Colo., for treatment. Here his health was somewhat improved and he returned to Idaho.

He had the retired relation in the Idaho Annual Conference, for several years before his death. He came to Shelley about the first of June 1920, and has spent most of his time there until his death occurred.

CHILDREN OF THE PARSONAGES

Rolf Mason Aldrich—Born March 30, 1906. Died in La Grande, January 4, 1921, following an operation for appendicitis. Mason was a very bright and serious young man of much promise of usefulness. His early going prompts the old question, Why? But trusting and loving parents and friends know that God doeth all things well. The interment is at La Grande, Oregon. Mason Aldrich was the only son of Rev. and Mrs. Ira R. Aldrich, of the Idaho Conference.

Richard Blynn Varnum, son of Rev. and Mrs. C. A. Varnum, a retired minister of the Idaho Conference, was born in Belding, Michigan, Oct. 25, 1892. He died in Paris, France, March 6, 1921. He lies buried in the American Military Cemetery, at Paris.

How Do You Do!

I suppose you are a Methodist and a sinner saved by grace. So am I.

I sell houses and lands.

My father said when I went into the business "Son, it will be difficult to be a Christian and a Real Estate man." I said "I think I can, but if I can't I will quit the business."

I am still in business. I don't think there is a more honorable business than selling what God created in the beginning.

If you are looking for a better place to live come to Caldwell. Or should you have money to loan I can loan it for you on good real estate security, without expense to you.

Hoping to hear from you, or better, see you, I beg to remain,

Yours truly,

CHOOSE YOUR GLASSES AS YOU WOULD A HUMAN COMPANION

Glasses will probably be your closest companion through life. Choose them as such, for they have a certain character influence.

Our Quality Glasses

will stand the test. Being artistic in design, they add to the appearance. Being sturdily made, they give full value in wear and long life. We have fitted glasses long enough to know how, and our recommendation and guarantee is back of every pair we sell.
